Kritikos, G., 'Vernacular versus purist' Greek in interwar Greece. Why demotic Greek won a battle in the education reform of 1929?', (ECR) Cambridge Classical Reception Seminar Series, [Cambridge University, UK], (03 February, 2021).

## RESEARCH PROGRAMMES

**2008-2010:** programme funded by State Scholarships Institute and the European Programme Heraclitus II: «Education and life learning» Digitalization of the archives of the battleship G. Averoff (Programme Leader: Prof. Emmanuel Stefanakis in cooperation with Aachen University – Germany).

**2012-2013:** Digital Paleography: methods, philosophy and representation of successive civilizations in Greek space and time. Mapping archaeological sites - paleography with the use of new technologies. Action of National Range and Cooperation: presentation of successive cultural phased in the Greek space and time (Leader of the programme: Prof. Cosmas Pavlopoulos).

**2015-2017:** Academic representative from Greece in the project entitled "Memory and Migration" coordinated by IFRI (French Institute of International Relations) with participation of representatives from these 6 European cities. The project aims to structure a debate about how Europeans can share a memory of their history of past migrations and to connect it with how they perceive various issues concerning the reception and integration of migrants today.

**2020-2022:** Leader of the ELIDEK program of the Hellenic Republic Ministry of Development and Investments (sponsored by the European Structural and Investment Funds) titled: 'The audience of cemeteries. Bringing into light elements of material and non-material culture of cemeteries through the 'voices' of their visitors: the cases of the cemetery of *Anastasis* in Piraeus as well as of the Third Cemetery of Athens'.
