## 3. THESES

- I. Sapountzaki, K., "Development in Caernarvon (Coed Helen site)", Thesis M.A., University of Manchester, Faculty of Architecture, 1981. The M.A. diploma thesis refers to a residential, touristic and other development of a certain site in the historical city of Caernarvon in Wales, UK.
- II. Sapountzaki, K., "**Planning and Spatial Distribution of Emergency Facilities at Prefectural level to Cope with Seismic Disasters**", PhD thesis, National Technical University of Athens, **1990 (in Greek)**.

#### 4. SCHOLARSHIPS

- Scholarship offered by the State Scholarship Foundation (IKY), 1974-75.
- Award given in memory of Diomedes Komninos -as a result of the 2<sup>nd</sup> order of success in the pan-Hellenic examinations for University admission.
- Scholarship for PhD thesis elaboration by the State Scholarship Foundation (IKY)(1983-86).

#### 5. TEACHING – TUTORING ASSIGNMENTS

##### Undergraduate level

Teaching tasks in the National Technical University of Athens:

- Ñ Lecturing in the module “Urban Planning”, School of Rural and Surveying Engineering of NTUA, 1994-1995.
- Ñ Lecturing in the modules “Urban and Regional Planning”, “Special Issues of Urban Spatial Planning” and “Regional Spatial Planning”, Schools of Architecture and Civil Engineering of NTUA, 1997-1998.

Teaching tasks in Harokopio University of Athens, Department of Geography:

- 1\* “Spaces, Places and Societies” (compulsory module, 2000-2001, 2001-2002, 2002-2003);
- 2\* “Population Geography and Demography” (compulsory module, co-teaching, 2000-2001, 2001-2002);
- 3\* “Urban and Regional Development I” (compulsory module, 2001-2009);
- 4\* “Urban and Regional Development II” (optional module, 2002-2009);
- 5\* “Management of Natural Disasters” (optional module, 2002-2019);**
- 6\* “Strategic and Local Spatial Planning” (compulsory module, 2003-2009).

In the period 2009-2019 Dr Sapountzaki retained exclusive responsibility of the compulsory modules “Regional Development” (which replaced the “Urban and Regional Development I”) and “Strategic and Local Spatial Planning” (renamed as “Urban Spatial Planning”) as well as the responsibility of the optional modules “Urban Sustainable Development” (which replaced the “Urban and Regional Development II”).

##### Post-graduate level

Teaching tasks in the National Technical University of Athens:

- 7\* Lecturing in the inter-departmental post-graduate Course “Environment and Development”, School of Rural and Surveying Engineering of NTUA, in 1998-1999 and 1999-2000 (compulsory module “Development Planning Methodologies and the Environment”).

Teaching tasks in Harokopio University of Athens:

8\* Lecturing in the post-graduate Course *Sustainable Development* of the Department of Home Economics and Ecology in 2000-2004 (compulsory module “Sustainable Development of Urban and Rural Regions”).

Dr Sapountzaki (as member of the post-graduate programme committee of the Department of Geography) contributed substantially in planning and actual operation of the three courses of the post-graduate programme titled *Applied Geography and Spatial Planning*. In the period 2005-20019 she has been assigned exclusive responsibility of the modules:

- \* **“Vulnerability and Risk: Prevention and Preparedness” (compulsory module of the first course *Management of Natural and Human-Induced Risks and Disasters*);**
- \* “Local Sustainable Development and Spatial Planning” (optional module of the second course *European Policies, Planning and Spatial Development*).

#### Tutoring of Diploma, MSc and PhD theses

Dr Sapountzaki has tutored a large number of diploma theses, under- and post-graduate, she is currently tutoring ten PhD theses and has been member of several evaluation committees of PhD theses at Harokopio and other Greek Universities (e.g. the National Technical University of Athens, University of Piraeus etc).

### 5.1 TEACHING, LECTURING AND TUTORING IN FOREIGN (EUROPEAN) UNIVERSITIES

- Ñ 2009-2010: Three teaching lectures (after invitation) in the Technical University of Dortmund, School of Spatial Planning (Germany) at both undergraduate and post-graduate levels, as follows:
  - ✓ "Cross-border Territorial and Environmental Planning in the Balkan Region", (undergraduate module *Planning in Urban Metropolitan Regions*).
  - ✓ **"Risks in the agenda of Spatial Planning: Examples from Developed and Developing Countries"**, in the context of the international biennial post-graduate (MSc) Programme *SPRING (Spatial Planning for Regions in Growing Economies)*.
  - ✓ "Spatial Planning in Greece" (undergraduate module *Spatial Planning from an International Perspective*).
  
- Ñ 2010-2011: Visiting professor (after invitation) to contribute to the international MSc post-graduate Programme *SPRING*, School of Spatial Planning, Technical University of Dortmund (Germany). She contributed as follows:
  - ✓ “Conflicts between International Environmental Conventions and Local Development Interests: The Case of Ramsar Convention” (module *Environmental Planning and Management*);
  - ✓ **“The Necessity of Coordination-Cooperation between Responsible Authorities and the Civil Society in Natural Risk Management: The Case of Forest Fires”** (module *Financing and Budgeting*);
  - ✓ “Illegal Housing in Greece” (module *Human Settlements Planning*);

- ✓ **“The Significance of “Vulnerability” and “Resilience” in Coping with Natural, Environmental and Climate Change Hazards”** (module *SPRING Colloquium*);
  - ✓ **“Conflicts in Cases of Restructuring-Renewal-Regeneration Programmes for Degraded Urban Areas: The Example of Eleonas district of Athens”** (module *Planner’s Toolkit*).
- Ñ 2012, 23/10: Lecture, after invitation by the University of Vienna, Faculty of Earth Sciences, Geography and Astronomy (network NowAgea, Mentoring Lecture Series). The lecture was titled **“Resilient people, resilient institutions: Can they build resilient cities”** (<http://nowagea.univie.ac.at/mentoring-lecture-series/>).
- Ñ 2012, 22/10: Lecture, after invitation by the University of Vienna, Department of Geography and Regional Research, Faculty of Earth Sciences, Geography and Astronomy. The lecture was titled **“When risk governance processes in the European South prove to be successful: The case of forest fires in Attica Region, Greece”** ([http://geographie.univie.ac.at/fileadmin/user\\_upload/i\\_geo\\_raumforschung/download/WS12\\_FSE\\_Programm1.pdf](http://geographie.univie.ac.at/fileadmin/user_upload/i_geo_raumforschung/download/WS12_FSE_Programm1.pdf)).
- Ñ 2015-2016 (spring semester): Lectures, after invitation by the University of Valencia, Dept of Geography (EU ERASMUS Programme), as follows :
- Two lectures to the under-graduate students of the ‘Geography and Environment Degree’, in the framework of the subject ‘Methodologies for Spatial Planning’
  - Two lectures to the post-graduate students of the ‘Master on Techniques for Management of Environment and Territory’.
  - A lecture on the topic **‘Environmental Risks’** addressed to the Department of Geography academic staff and researchers, as well as interested students (all degrees).

#### Tutoring of PhD theses

She has been member of the tripartite evaluation committee of a PhD thesis of the University of Dortmund (School of Spatial Planning) under the title **“Embedding Risk Governance Principles in Assessment and Management of Natural Hazards”**.

- H.6 SCIENTIFIC COORDINATOR for the project *“Seismopolis – Pilot Integrated System for Familiarization with Earthquakes and Informing the Public on Earthquake Protection”*, General Secretariat of Research and Technology (GSRT), Operational Program "Competitiveness - Built Environment and Management of Seismic Risk" of GSRT (C CSF), Consortium of cooperating private and public agencies, among them Harokopio University, Athens, 2003-2006 (in Greek).
- H.7 MEMBER OF THE SUPPORT GROUP of the ***EC RESEARCH PROJECT ARMONIA – Applied Multi-Risk Mapping of Natural Hazards for Impact Assessment***, Framework Programme 6 for Research and Technological Development (Thematic Area “Global Change and Ecosystems” Contract No 511208); also author of the national report for Greece as regards the relationship between Spatial Planning and Natural Risk Management, 2005  
<http://www.armoniaproject.net/html4/index.php?module=ContentExpress&Func=display&ceid=24&meid=1>
- H.8 SCIENTIFIC CONSULTANT for the project *Study of a Strategic Plan for New Industrial and Business Areas of a national importance, in the context of the Operational Programme ‘Competitiveness’*, ETVA VI.PE. S.A., General Secretariat of Industry at the Ministry of Development, Athens, 2004 (in Greek).
- H.9 PRINCIPAL RESEARCHER for the project ***Social and Economic Impacts of the Seismic Event of 7/9/1999 on Manufacturing and Commercial Firms and Employment of Western Athens: Analysis of Trends and Proposals of Policy Measures***, Earthquake Planning and Protection Organization (EPPO), Harokopio University (Department of Geography), Athens, 2003 (in Greek).
- H.10 PRINCIPAL RESEARCHER for the project *Critical Consideration of the Regional Spatial Planning System in Greece: Spatial Studies and Development Plans within the national and European Institutional Framework*, General Secretariat of Research and Technology (GSRT), NTUA (Research Laboratory for Spatial Planning and Urban Development), Athens, 2002 (in Greek).
- H.11 PRINCIPAL RESEARCHER for the project *Planning Mild Touristic Development – Methodological Issues and Pilot Application in the Area of Mandamados Municipality*, Municipality of Mandamados, NTUA (Research Laboratory for Spatial Planning and Urban Development), Athens, 2002 (in Greek).
- H.12 PRINCIPAL RESEARCHER for the project *A Policy Package of Spatial Regulations, Works and Actions for the Sustainable Management of Water Resources in Southern Dodecanese region*, Ministry of National Economy, Operational Programme INTERREG II C, NTUA (Research Laboratory for Spatial Planning and Urban Development and Laboratory of Reclamation Works and Water Resources Management), Athens, 2001 (in Greek).
- H.13 PRINCIPAL RESEARCHER for the EC PROJECT *Sustainability, Development and Spatial Planning: An Examination of the Capacity of Spatial Planning Systems in Europe to Develop and Implement Policy for Sustainability (SPECTRA)*, European Commission, “Environment and Climate”, a consortium of seven research institutions coming from an equal number of European Countries among them NTUA (Research Laboratory for Spatial Planning and Urban Development), Brussels, 2000.
- H.14 PRINCIPAL RESEARCHER for the project *The Role of Prefectural Self-government Directorates on Issues relevant to Environmental, Development and Spatial Planning*, Ministry for the Environment, Spatial Planning and Public Works, NTUA (Research Laboratory for Spatial Planning and Urban Development), Athens, 2000 (in Greek).

- H.15 PRINCIPAL RESEARCHER for the project Planning for Re-organization and Re-location of Freight Transport Firms of Elaionas area, Pan-Hellenic Association of National Freight Transport Agencies, NTUA (Research Laboratory for Spatial Planning and Urban Development), Athens, 1999 (in Greek).
- H.16 PRINCIPAL RESEARCHER for the project Constitution of the Development Agency of Elaionas of Athens, Organization for Planning and Environmental Protection of Athens, NTUA (Research Laboratory for Spatial Planning and Urban Development), Athens, 1998 (in Greek).
- H.17 CONTRIBUTION to the project Asklipieio Park of Athens, Organization for Planning and Environmental Protection of Athens, National and Kapodistrian University of Athens (Medical School) and NTUA (Research Laboratory for Spatial Planning and Urban Development), Athens, 1997 (in Greek).
- H.18 PRINCIPAL RESEARCHER for the project Preliminary Urban Planning and Building Design Standards for Emergency Shelters, Ministry for the Environment, Spatial Planning and Public Works, NTUA, Athens, 1995 (in Greek).
- H.19 CONTRIBUTION to the project Development of the site of the former Athens' Airport at Helliniko, Organization for Planning and Environmental Protection of Athens, NTUA (Research Laboratory for Spatial Planning and Urban Development), Athens, 1996-1999 (in Greek).
- H.20 PRINCIPAL RESEARCHER for the project **Emergency Operation Plan to Cope with Seismic Disasters in the Municipality of Athens**, Earthquake Planning and Protection Organization (EPPO) and Municipality of Athens, NTUA (Research Laboratory for Spatial Planning and Urban Development), Athens, 1994-1996 (in Greek).
- H.21 PRINCIPAL RESEARCHER for the project Realization of Plans for Restructuring of Urban Industrial Zones and Relocation of respective Production Activities – The Case Study of Elaionas of Athens, Organization for Planning and Environmental Protection of Athens, NTUA (School of Engineering in cooperation with Research Laboratory for Spatial Planning and Urban Development), Athens, 1994-1995 (in Greek).
- H.22 PRINCIPAL RESEARCHER for the project **Relocation of the Population to Semi-Permanent Shelters after Earthquakes: Urban Planning Standards, Social Impacts and Technology for the Industrial Production of Shelters**, Earthquake Planning and Protection Organization (EPPO) and General Secretariat of Research and Technology, NTUA (Research Laboratory for Spatial Planning and Urban Development), Athens, 1993-1995 (in Greek).
- H.23 PRINCIPAL RESEARCHER for the project **Forest Fire Risk Assessment and Spatial Planning appropriate for Forest Fire Risk Prevention and Preparedness – The Case of the Prefecture of Attica**, General Secretariat of Research and Technology and NTUA (Research Laboratory for Spatial Planning and Urban Development), Athens, 1991-1995 (in Greek).
- H.24 PRINCIPAL RESEARCHER for the project Spatial Organization with a View of Regeneration of Elaionas Area, Municipality of Athens, NTUA (Research Laboratory for Spatial Planning and Urban Development), Athens, 1992 (in Greek).
- H.25 PRINCIPAL RESEARCHER for the project Survey and Viability Study of the Industrial Activities of Elaionas of Athens, Association of Municipalities for the Organization, Management and

Development of Elaionas, NTUA (School of Chemical Engineers in cooperation with the Research Laboratory for Spatial Planning and Urban Development), Athens, 1991-1992 (in Greek).

- H.26 PRINCIPAL RESEARCHER for the project ***Seismic Vulnerability Analysis and Mitigation Planning for Macro- and Micro-Scale Urban Areas – The Case of the Commercial Centre of Athens***, General Secretariat of Research and Technology and NTUA (Research Laboratory for Spatial Planning and Urban Development), Athens, 1988-1992 (in Greek).
- H.27 CONTRIBUTION to the project ***Relationships between Economic and Spatial Planning: Interconnections of Policies for Urban Area Regeneration and Spatial Planning Regulations with the Operation of Small Manufacturing Firms***, General Secretariat of Research and Technology and NTUA (Department of Urban and Regional Spatial Planning), Athens, 1986-1988 (in Greek).
- H.28 CONTRIBUTION to the project ***Codification of the Emergency Plan for Seismic Disasters at the Prefectural Level***, Earthquake Planning and Protection Organization (EPPO) (Research group: Zafiroopoulos G., K. Ioannidis, M. Kyriazis and K. Sapountzaki), Athens, 1986-1987 (in Greek).
- H.29 PRINCIPAL RESEARCHER for the project ***Planning and Spatial Distribution of Emergency Coordination Centres at the Prefectural Level***, (Greek) Earthquake Planning and Protection Organization (EPPO) and NTUA (Research Laboratory for Spatial Planning and Urban Development), Athens, 1986-1987 (in Greek).
- H.30 CONTRIBUTION to the project ***City and Earthquakes***, Ministry of Town Planning, Development and Environment, National Technical University of Athens (cooperation between the Research Laboratory for Spatial Planning and Urban Development & the Laboratory for Earthquake Engineering), Athens, 1984-1985 (in Greek).

## 7. MEMBER OF INTERNATIONAL SCIENTIFIC ASSOCIATIONS AND CONFERENCE SCIENTIFIC COMMITTEES – ORGANIZATION OF THEMATIC TRACKS, SEMINARS AND COLLOQUIUMS

- Ñ 2019: Co-organization and co-chairing of the **Thematic Track “Climate-proof Cities and Resilient Societies”**, in the oncoming *2019 AESOP Conference “Planning for Transition”*, Venice, Italy, July 9-13, 2019. <https://www.aesop2019.eu/theme-and-traks-of-the-congress/>
- Ñ 2018 (November): Organization (in cooperation with a high school community) of the One-day Seminar **“Learning to Cope with Natural Disasters – A Cooperation of Harokopio University with the High School of Nea Halkidona”**, Harokopio University, Athens, 27 November 2018 (in Greek).
- Ñ 2017 – today: **Board member of the Society for Risk Analysis – Europe (SRA-Europe)**. (SRA is an interdisciplinary society which addresses emerging issues in risk analysis, management and policy, operates world-wide and has several International Sections among them SRA-Europe).
- Ñ 2012: Member of the Scientific Committee of the International Conference AESOP (Association of European Schools of Spatial Planning) and **co-chair of the Thematic Track “Vulnerabilities, Risks and Mitigation Planning”**, *26<sup>th</sup> annual AESOP Conference “Planning to achieve / Planning to avoid”*, Ankara, Turkey, July 11-15, 2012.
